

Dominic Hall

Head of Ethical Business Conduct, BAE Systems

Dominic is responsible for BAE Systems' Business Ethics Programme across the UK and International businesses. He has deep experience in implementing and operating all aspects of ethics and compliance governance frameworks. Dominic previously held similar leadership roles in Ethics and Compliance at CocaCola Enterprises and at BG Group, an oil and gas major. He is also a qualified auditor and held audit and consulting roles at KPMG for seven years. Dominic has undergraduate and postgraduate degrees in Philosophy from St. Andrews University.
